SUPPORT A PROGRAM OF REHABILITATION AND INSPIRATION

6-day event with an estimated **200** participants

The National Disabled Veterans Golf Clinic gives Veterans with visual impairments and other qualifying, life-changing disabilities the opportunity to develop new skills and challenge their perceived limitations. This is achieved through adaptive golf and a variety of other activities. The event uses a therapeutic format to promote rehabilitation, fellowship and camaraderie among the Veterans attending.

The event continues to strive to provide adaptive golf instruction for the Veterans who participate to make the game more accessible. The ultimate goal is to inspire Veterans to challenge their limitations and improve their quality of life by actively engaging in rehabilitation and therapy.

Sponsor support means everything to these Veterans, as they discover new strengths and abilities through therapeutic sporting activities. The clinic generates national, regional and local interest, so this is your opportunity to increase community and national awareness and help others learn that disability does not mean inability.

GIFTS ARE TAX-DEDUCTIBLE PER IRS REGULATIONS.
